MAJOR DUTIES:

The Advanced Practice Nurse/Clinical Nurse Specialist (CNS) practices at the Portland VA Medical Center in the specialty area. The CNS functions in an expanded scope of practice. The CNS provides primary care to adults and the elderly in the area of the CNS's specialization. Primary care includes assessment, diagnosis, and treatment of healthcare problems. This includes the following: initiating and adjusting therapeutic regimens, performing histories and physicals, ordering diagnostic and therapeutic tests/studies, initiating consults and referrals, and prescribing supplies in accordance with VA policy. The CNS works collaboratively with other interdisciplinary team members in providing quality care and education. In addition to providing healthcare, the CNS serves as a clinical resource and consultant to nurses, medical staff, interdisciplinary team, and other healthcare providers for patients with complex treatment or healthcare needs or for system issues. The CNS shares in the development, evaluation, and communication of standards and plans of care as well as policies and procedures; serves on designated committees and task forces; and participates in research, research utilization and program development.

Scope: Executes position responsibilities that demonstrate leadership, experience, and creative approaches to management of complex client care.

THIS POSITION IS IN THE BARGAINING UNIT

QUALIFICATION REQUIREMENTS:

- Citizen of United States
- Graduate of a school of professional nursing approved by the appropriate State agency and accredited by one of the following accrediting bodies at the time the program was completed by the applicant: The National League for Nursing Accrediting Commission (NLNAC) or The Commission on Collegiate Nursing Education (CCNE).
- In cases of graduates of foreign schools of professional nursing, possession of current, full, active, and unrestricted registration and the possession of a Certificate from the Commission on Graduates of Foreign Nursing Schools (CGFNS) will meet the requirement of graduation from an approved school of professional nursing.
- Current, full, active and unrestricted registration as a graduate professional nurse in a State, Territory, or Commonwealth (i.e., Puerto Rico) of the U.S. or in the District of Columbia. The RN must maintain a current, full active and unrestricted registration to continue employment with the VA.
- For Nurse III, the applicant should have a Master's degree in nursing or related field with a BSN and 2-3 years of nursing experience OR a Doctoral degree in nursing or related field and 2-3 years of nursing experience.

CONDITIONS OF EMPLOYMENT:

Although the duty station is shown in this announcement, it may be necessary to utilize the selected person's services at a different location within the Portland VA Medical Center commuting area if conditions require it in the future

Eligible employees may be non-competitively reassigned to fill this position as an exception to merit promotion.
